Item 1 – Items Outstanding

OUTSTANDING ACTIONS FROM MEETING OF 15 MARCH 2011

a) Computing Support Office
There is still an ongoing demand for space in the Forum; priorities could be met by rationalising PhD accommodation; visitor space is critically short of hot desks; and to keep room planning reasonably fluid. Computing Support still need appropriate space.

Action
All – retain on agenda for discussion

b) Building UPS
The warranty documentation needs to be reviewed to see if the warranty is invalid or is a catch free warranty. LE and DR met Alasdair McKim to discuss, remains outstanding.

Action
Alasdair McKim to convene Balfour meeting

MR advised that short term fix of replacement UPS battery installation will occur but larger issues of UPS room temperature and UPS warranty await Balfour meeting.

MR reported that £33K of new batteries have been installed in both UPS.

Action
MR has cost for extra cooling facility (B.17)

MR to report back with update

MR reported that this matter is now with Alasdair McKim and Liz

Further Action
AS will send an email to DR summarising the importance of this matter and DR will contact Alasdair McKim
OUTSTANDING ACTIONS FROM MEETING OF 25 MAY 2011

a) Inner Offices
People are still concerned about the temperature and lack of airflow in the inner offices. It was suggested that Alasdair McKim should get the contractors back to fix it.

Action
MR will talk to Alasdair McKim

Further Action
AS will add this matter to his email to DR re Building UPS

b) Nesting Pigeons
There are pigeons nesting in the ‘holes’ at the top of the upper floor windows around the buildings.

Action
MR to organise pest control

Further Action
MR spoke to Alasdair McKim and MR will telephone the architect

OUTSTANDING ACTIONS FROM MEETING OF 28 JUNE 2011

3. Any other business

a) Artwork for the corridors, etc.
JO has spoken with Andrea Roe about her Cabinet of Wonders and it maybe possible to pilot something next year. He also spoke with Jacky McBeath of the Centre for Research Collections and there are possibilities of imagery (eg photography) for the corridors. There might be a cost if the imagery is from the Royal Commission.

Action
JO to query Jacky McBeath about the environmental control
JO still waiting to hear

b) Acoustics in G.03
Owen Green examined the space and determined that it was excessively reverberant for speech accessibility. He determined that absorbent material ‘traps’ could be hung from the ceiling. Owen will draw up a sketch. We are still waiting to hear from the BBC about their use of the room.

Action
Liz will contact Owen re sketch
LE waiting to hear from Owen

Further Action
Liz will remind Owen
OUTSTANDING ITEMS FROM MEETING OF 13 September 2011

1. Any other business

a) Moveable Walls
Those in 4.31/4.33 have to be opened manually. The sound seals are the problem with those in G.07/G.07A; difficult to undo once they are up.

Action
DCH will discuss with E & B
Actioned
This is now with Alasdair McKim; it is OK from a Health and Safety point of view

b) Carpet cleaning
Jon suggested that the carpets in 4.31/4.33 and 4.40 should be cleaned; also the ‘mushrooms’.

Action
DCH to ask cleaning supervisor re carpet cleaning and suggestions for cleaning the ‘mushrooms’.
Actioned (MF2 and four sample ‘mushrooms’ to be cleaned on 23 November)

c) Waste and recycling site
Sharon mentioned waste and recycling sites and wondered if Informatics would be a suitable site.

Action
SG will investigate the feasibility of a composting area being placed within the environs of Informatics.
Further Action
SG has contacted someone and is in the process of arranging a ‘walkaround’

d) Power for Multi media
Steve Renals wants to have a multi media display and has the necessary budget. There was discussion about the power requirements.

Action
DCH will check with Steve Renals re his data and power requirements and then talk with MR
Actioned

AGENDA ITEMS FROM MEETING OF 8 November 2011

Item 2 - Head of School’s Business

Dave introduced David Sterrett who is the energy coordinator for Informatics. David reported that his role is to investigate energy conservation; to find energy reduction opportunities; to explore ‘where does the energy go at Informatics.’ There was discussion about the energy used by Informatics: computers, ventilation, lighting, etc. David receives readings from the Energy Office and data from the UPS. It was thought that the eventual installation of new switches for the lights should help conserve the energy used for lighting.

Action
MR will check the drawings to verify which ports are UPS
Action
LE will send DS the data she receives monthly from the Energy office
Item 3 – Any other business

a) Spiral staircase
As a health and safety issue, a block will be installed on each floor of the spiral staircase.

b) Evacuation lift
The purchase and installation of a security lift for Appleton Tower is in process.

Item 4 - Date of next meeting

The next meeting will be on Tuesday, 13 December 2011, 9:00 am to 10:00 am, in the Turing Room.
