Peer Teaching Observation Proforma

Please provide replies to the following questions: **one paragraph for each** and send this document by email to Cristina Alexandru (Cristina.Alexandru@ed.ac.uk) by **1 pm on the 9th of November**. Questions 1-3 should be addressed during your observation, and you should discuss them with the tutor/demonstrator whom you will observe. **All questions are compulsory** for being accepted for 1 hour payment at demonstrator rate.

1. **What did the tutor/demonstrator do particularly well from your point of view?**
   (You could consider issues such as: the planning of the tutorial/lab, presentation—e.g. structure, content, clarity, pace, volume etc., student participation, methods and approaches used, etc.)

2. **What could the tutor/demonstrator improve from your point of view?**

3. **What are your suggestions for the tutor/demonstrator?**

4. **What have you learned from your observation and/or would like to take forward in your current or future teaching?**
